

SAXI S. GRIGLANI

Accounting & Finance Professional

+91-6351874166 | shaxigriglani150@gmail.com | Surat,
Gujarat – 395009

CAREER OBJECTIVE

To build a successful career in accounting and finance by delivering innovative, accurate, and value-driven solutions, while continuously enhancing my skills and contributing to organisational growth.

KEY STRENGTHS

- Dedication and devotion to work with a continuous learning mindset.
- Creative, innovative approach combined with analytical thinking and attention to detail.
- Honest, disciplined, and adaptable to new technologies and processes.
- Strong interpersonal, leadership, and team collaboration skills.
- Effective time management, organisational skills, and ability to work under pressure.

PROFESSIONAL EXPERIENCE

Accountant

Jan 2024 – Present

Auzin Advisory Pvt Ltd

- Preparation and lodgement of Business Activity Statements (BAS) and Instalment Activity Statements (IAS).
- Compliance with GST, PAYG withholding, Payroll Tax, and Superannuation Guarantee Contributions (SGC).
- Accounts Receivable (AR): Invoicing, debtor management, credit control, and reconciliation of outstanding balances.
- Accounts Payable (AP): Vendor invoice processing, payment scheduling, supplier reconciliations, and expense management.
- Cash flow forecasting and reporting, providing management with liquidity insights.
- Development and monitoring of budgets and forecasts, with variance analysis.
- Preparation of management accounts including Profit & Loss, Balance Sheet, and KPI dashboards.
- Payroll administration including STP lodgements and award interpretation under Fair Work standards.
- Assisted in taxation processes including computation of taxes, preparation of returns, and compliance reporting.

Responsibilities Handled:

- Administered payroll processing with STP lodgements and accurate SGC contributions.
- Ensured timely collections from debtors and maintained healthy AR ageing through proactive follow-ups.
- Manual journal posting for accruals, adjustments, and corrections in the general ledger.
- Delivered monthly MIS reports and variance analysis to management, supporting strategic decisions.
- Reduced reporting timelines by streamlining workflows and introducing automation tools.
- Supported external audits with reconciliations, schedules, and compliance documentation.
- Strengthened internal controls to safeguard company funds and ensure compliance with ATO requirements.
